

ASA 103 Basic Coastal Cruising

Fee: \$1395/person (\$1350 midweek)

(ASA Test \$50)

We offer the lowest student to instructor ratio in the USA with only 3 students to 1 instructor on the larger BCC sailboats. This course is a continuation of the Basic Keelboat Sailing Certification program. Each lesson is 100% on the water out in San Francisco Bay's famous big breeze! Classes are held aboard our amazing Andrews 21 keelboats. Basic Coastal Cruising is for national certification by the American Sailing Association.

Students should bring foul weather gear (at least a water-proof jacket) and wear deck boots, tennis or deck shoes (no black soles please).

We will be sailing in a variety of conditions and you are likely to get wet. Now is the time to buy some foul weather gear... at least a jacket. Upon Graduation you will be certified to bareboat charter the Andrews 21.
