ASA 102 Sportboat Certification

Fee: $1095/person ($825 member)

(ASA Test $50)

We offer the lowest student to instructor ratio in the USA with only 3 students to 1 instructor on the larger Sportboats. This course is a continuation of the Basic Coastal Cruising Certification program. Each lesson is 100% on the water out in San Francisco Bay's famous big breeze! Classes are held aboard our amazing J/80 keelboats. Sportboat is for national certification as ASA 102 by the American Sailing Association.

Students should bring foul weather gear (at least a water-proof jacket) and wear deck boots, tennis or deck shoes (no black soles please).

We will be sailing in a variety of conditions and you are likely to get wet. Now is the time to buy some foul weather gear... at least a jacket. Upon Graduation you will be certified to bareboat charter the J/80.
